

DTU Mechanical Engineering

Department of Mechanical Engineering

Building 114: Hydraulic Engineering Laboratory

Building 404 + 413 + 427: Project rooms for students

Building 322: FVM: Fluid Mechanics, Coastal and Maritime Engineering

Building 358: TES: Thermal Energy

Building 404: FAM: Solid Mechanics and ADM: Administration

Building 412, 413 and 414: Workshops and laboratories

Building 425: MTU: Materials and Surface Engineering, MPP: Manufacturing Engineering
Building 427: MPP: Manufacturing Engineering

Building 427: Workshops

Building 426: KP: Engineering Design & Product Development
