

Building 114: Hydraulic Engineering Laboratory

Building 322: Instrument Group

Building 402 + 413 + 427: Project rooms for students

Building 404: ADM: Administration and management
FAM: Solid Mechanics
KP: Engineering Design & Product Development

Building 403: TES: Thermal Energy
FVM: Fluid Mechanics, Coastal and Maritime Engineering

Building 412, 413 and 414: Workshops and laboratories

Building 425: MTU: Materials and Surface Engineering
MPP: Manufacturing Engineering
Building 427: MPP: Manufacturing Engineering

Building 427: Workshops

Building 426: KP: Engineering Design & Product Development
