

Building 114:
Hydraulic Engineering Laboratory

Bygning 404:
ADM: Administration and management
FAM: Solid Mechanics
KP: Engineering Design & Product Development

Bygning Building 402 + 413 + 427:
Project rooms for students

Building 403:
TES: Thermal Energy
FVM: Fluid Mechanics, Coastal and
Maritime Engineering

Building 412, 413 and 414:
Workshops and laboratories

Building 425:
MTU: Materials and Surface Engineering
MPP: Manufacturing Engineering
Building 427:
MPP: Manufacturing Engineering

Building 427:
Workshops and laboratories
